## ABOUT THE WARRIORS HANGOUT

The Warriors Hangout is a flagship initiative of SSCAF designed to inspire, celebrate, and support persons living with Sickle Cell Anaemia. It provides a platform for warriors to share their experiences, express their talents, and connect with others who understand their journey. Since its inception in Jos, Plateau State in 2021, the event has expanded to Benue and Kaduna States, symbolizing unity, strength, and collective advocacy.

**NOTE THE FOLLOWING:**

1. That the activities of Benue State are captured in my NYSC Report.
2. That the sensitization carried out in Kaduna state by one of our member was not covered due to the strict protocol in his place of worship.
3. That this report is not exhaustive as there are some of our activities that were not covered and some that we have lost their pictures.

**Thank you.**
